Do you check your email regularly?

How did you hear about CRC?

*Why do you want to become a mediator?*

*What skills do you have which you think would make you a good mediator?*

What other type of volunteering have you done, if any? How did you manage the time commitment to that work?

What times during the week are you available to mediate? (Please remember you need approx. 4 hours per session)

THANK YOU for your interest!
